Dear Mr. Murphy:

I am contacting you on behalf of NAI DiLeo-Bram Property Management Services. My relationship with Pro-Tec goes back almost as far as my time in this career field – which is some 20+ years. As property managers, it is our obligation and priority to keep the building envelope of our managed properties well maintained and water tight.

The Pro-Tec team is first class in my opinion. I find the team to be extremely knowledgeable, responsible and always ahead of the curve with regard to new products, etc. I also can see the value of the services purchased from Pro-Tec as compared to other vendors. In this ever changing world, value for dollars spent is of the utmost importance and this philosophy is more than apparent in the work performed by Pro-Tec – like the company, their work stands the test of time.

Pro-Tec is at the top of my preferred vendor list where it shall remain.

Very truly yours,

Lawrence P. Arbore
